SCHOLARSHIP APPLICATION

Form No. 2

To: _____

We have received an application for a scholarship from Miss _____ and we are asking for your assistance in evaluating the worthiness of this Daughter to receive a scholarship.

The Grand Guardian Council of Arizona is the governing body of Job's Daughters in Arizona. It offers scholarships each year to deserving Daughters. The purpose of the Order is to band together girls, ages 10 to 20 for character building, developing self confidence, and learning leadership qualities. The International Order of Job's Daughters teaches the time-tested principals of respect for parents and home, loyalty to flag and country, and reverence for God.

Please forward to the Chairman of the Trustees of the Educational Fund an evaluation on your official stationary. We would like to know about the applicant's attitude, study habits, attendance, and any detail that would help us determine the recipient of a scholarship.

Without your letter, the applicant will not qualify for scholarship consideration. Please respond by April 1, 2010 to the following address
